Danielle Hutcheson, Madison County Schools

Are you looking for ways to include more social studies content in your literacy instruction? Join us as we take a fresh look at research-based literacy strategies that pair perfectly with social studies content. During this three-day workshop, we will explore how primary sources, such as artifacts, photographs, and maps, help build essential background knowledge of historical concepts, boost vocabulary, and strengthen students' writing skills. You will walk away with resources to enhance both your social studies and literacy instruction. Come ready to engage in unique, experiential learning opportunities designed to spark new ideas to take back to your classroom. You will need to bring your own operable device, such as a laptop or Chromebook, as you will be required to use it for full participation.
